

DetailWorks

Want your vehicle to have that "new car feel"? At DetailWorks, we'll detail every inch of your vehicle. We'll pick every speck from the carpets, clean and rejuvenate the seats and dashboard, wash and wax the exterior until the whole car shimmers and shines like it did in the dealer's showroom.

And there's more to what we offer. You've heard of win-win situations haven't you? Well, how about a win-win-win situation. DetailWorks details your vehicle while teaching our residents a trade. It also earns money to support step 13. That's a triple play you can catch by dropping off your vehicle at our shop, which is just a stray pitch from Coors Field. Our prices are great and customers tell us we do a terrific job.

To schedule an auto detail and get a quote please call (303) 296-9020 or send a message to DetailWorks@step13.org.
